

## Helical extractors

With a design glass plate

| Item          | BxH mm  | ∅ Hole mm | P watt | Air flow m <sup>3</sup> /h | Noise dB | C mm | D mm | ∅ mm |
|---------------|---------|-----------|--------|----------------------------|----------|------|------|------|
| <b>AA10VE</b> | 160x140 | 100/4"    | 8      | 90                         | 30       | 35   | 100  | 97   |
| <b>AA12VE</b> | 180x155 | 120/5"    | 11     | 130                        | 33       | 35   | 100  | 115  |

**Description:** Wall-mounted helical extractor

**Colour:** Satin white

**Features:** The helical aspirator is a simple and versatile solution to solve the problem of air exchange for a certain type of domestic environment, such as service bathrooms or laundry rooms. Helical extractors are suitable for direct wall outlet or for installations where it is not necessary to flow the air on very long distances through the ducts.
