Item	A mm	B mm	D mm	F mm	G mm	H mm	S mm	Flow l/min*	Weight g
CHABSV1040G	100	40	40	-	-	75-85	2	46	110
CHABSV1050G	100	40	50	-	-	80-90	2	54	114
CHABSV1540G	148	142	40	139	45	71	-	54	182
CHABSV1550G	148	142	50	139	45	76	-	68	191

Warning! For optimal adhesion, it is recommended to glue the gully trap body to the frame.

Material: ABS

Colour: Light grey

Features: The grate is removable for all models. While only for the CHABSV1040G and CHABSV1050G gully traps the grate holder frame can be lowered to allow the total height to be adjusted by approximately 10 mm.

* Water flow l/min for all models according to the parameters of the standard (UNI EN1253)
