

Flexible grill for swimming pool

Item	B mm	L mm	H mm
FGP1330S	130	500	30
FGP2025S	200	500	25
FGP2030S	200	500	30
FGP2035S	200	500	35
FGP2525S	250	500	25
FGP2530S	250	500	30
FGP2535S	250	500	35

Material:

Polypropylene

Colour:

Sand

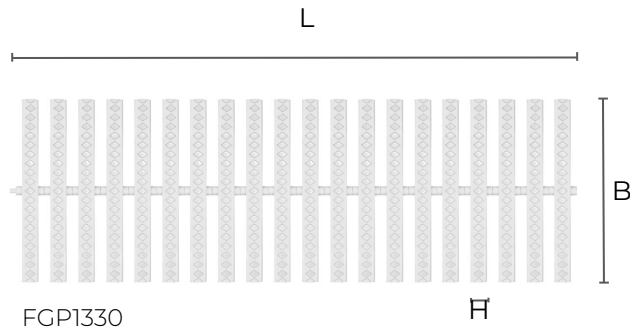

Features:

The FLEXIGRIL grills for swimming pools are made of high density PP which gives the product resistance to physical and atmospheric agents. The grills are made up of single elements that can be dismantled and reassembled, the ideal solution for completing the curved ducts at the pool edge.

- The walking surface is equipped a non-slip relief
