*item available while stocks last

Material: Glass fiber reinforced nylon

Colour: Grey

Features: The MULTIGRIL (both the frame and the cover) is made up of crosspieces coupled together by interlocking. This makes it possible to optimize the structure of the crosspiece in order to give it high load resistance. The MULTIGRIL has the CE marking, in compliance with UNI EN 1433 standard.
The "L" length may vary slightly, by a few millimeters, depending on the packing of the sleepers.

- Load class A15
