TVS50	16	50,0	27	2,5	54	18

Material: PVC-U

Colour: Orange RAL 2008

Features: The products of the construction fittings line to be bonded produced by First Plast are made of PVC-U in compliance with the requirements prescribed by the UNI EN1329-1:2021 standard relating to low and high temperature drainages within the structure of buildings.

The article consists of 3 parts:

- 1) Cylindrical pipe with bayonet inserts at the upper end.
- 2) Cap with bayonet closure with protrusions to facilitate gripping and closing.
- 3) Rubber O-ring fitted on the cap in the appropriate position. The cap is hooked onto the cylindrical pipe.
