

## Running outlet stopend for gutter profile $\varnothing 100$

TGS100GN

GS100

Item	Colour	length mm	width mm	height mm	Weight g	Matched running outlet
TGS100GN	grey	104	27	62	30	GS100GN
TGS100M	brown	104	27	62	30	GS100M

**Material:** PVC-U

**Features:** The stopend must be glued to the running outlet by inserting it into the specific socket.  
Clean the surfaces, then use PVC sealant glue (COFxxx).
