

Telescopic grilles for doors

Item	BxH mm	Pass Air cm ²	Thickness min-max mm	C mm	D mm	Hole mm
PT489B	480x98	250	30-45	18	32	448x82
PT489M	480x98	250	30-45	18	32	448x82
PT489N	480x98	250	30-45	18	32	448x82

Description: Telescopic grilles for doors and panels

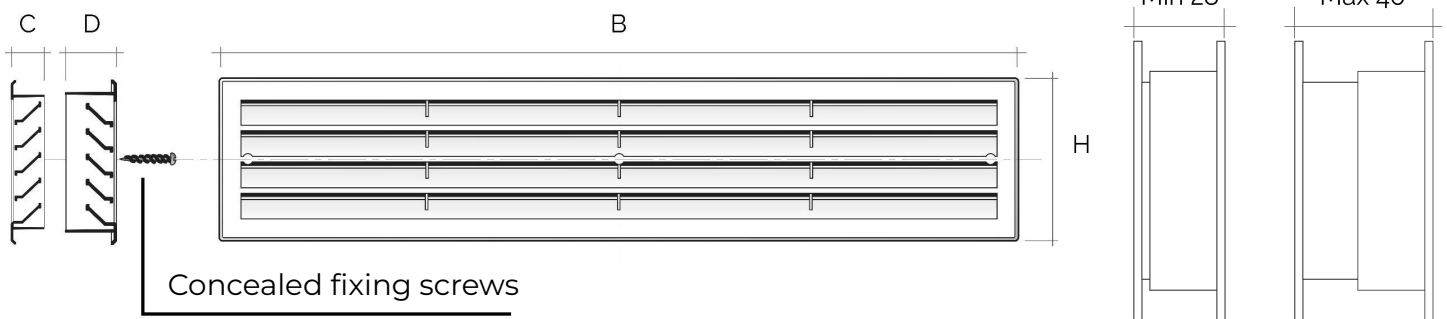

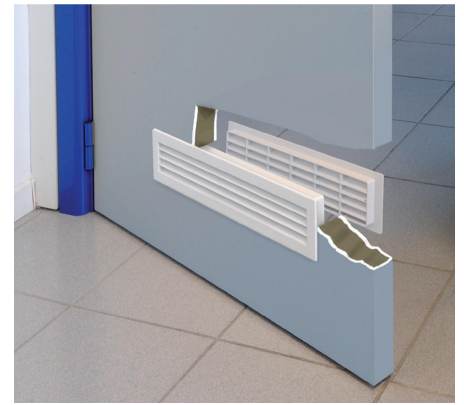

Material: ABS plastic

Colour: PT489B White - PT489M Brown - PT489N Black

Features: Grilles for doors and panels. For fixing it is necessary to couple the two grilles and screw them with the screws supplied up to the desired thickness. This saves you from drilling screw holes in the door.
